One Day Transactional Funding Requirements (ODF)

One Day Transactional Funding is defined as the closing of two transactions (A-B and B-C) that happen the same day with the same title company. We provide 100% funding for the close of the A-B transaction, which is paid back from the closing of the B-C transaction. For all Transactional Funding, we require that a Qualified C Buyer (who has proof of cash or is approved for a loan for that specific property) must be under contract at the time we fund. We must have the Request Funding form completed & all documents & info received 6 business days prior to closing, or an expediting fee of \$500 to \$1,000 will apply. Offered in Primary States* only. For Short Sales or if the A-B is buying in a Trust, other information may be required.

For this type of transaction we must have:

- The form completed at <http://www.REIFunding.com/request-funding.htm>.
- Contract between the Seller and the Buyer (the A-B transaction), valid through the closing date.
- Contract between the Buyer and the End Buyer (the B-C transaction), with EMD proof, valid through the closing date.

Extended Transactional Funding Requirements (ETF) – Temporarily suspended as of Feb. 20, 2017

Extended Transactional Funding is defined as a loan provided to purchase a property, wherein the B Buyer already has a qualified C Buyer to whom he will sell the property. The property must be "held" for a number of days (or even months) for various reasons, requiring that the buyer come to closing with the funds to purchase the property. Once a certain period has passed, the buyer can then sell that property to a third party, and earn the profit for the difference in the amount he paid for the property and the amount he has sold it for. We must have the Request Funding form completed and all documents and info received 11 business days prior to closing, after which an expediting fee of \$500 to \$1,000 will apply.

For this type of transaction, we must have everything for a One Day Transaction, plus:

- The minimum Loan to Value is 65% & minimum loan amount is \$100,000, offered in Primary States* only.
- A Home Inspection Report ordered by Capri Capital and paid for by your company.

- Insurance Binder for the Appraised Value with Capri Capital as additional Insured/Endorsed (Max: \$1,000 deductible)
- If applicable, the contact name, phone number, and email address for the B-C Title Company.

Hard Money Lending (HM)
